RESCUE PLATFORM

The

**MARINE RESCUE PLATFORM®**

**10 PERSON SURVIVAL PLATFORM**

**Combining Quality, Value, & ...  
A Name You Trust**

Originally designed for airport crash/rescue teams, the Marine Rescue Platform® is now available to owners of smaller vessels. If your boat catches fire or is sinking, even relatively close to land, the survival of your family or crew may depend on having more than just life jackets on board. Boating accidents claim many lives each year due to drowning or hypothermia when the victims have to stay in the water while awaiting rescue.

The Marine Rescue Platform® is not a life raft, but it is a way to keep ten (10) adults afloat and out of the water until help arrives. Inflated by CO<sub>2</sub>, the Marine Rescue Platform® is ready for boarding in seconds. It's appropriate for use aboard smaller vessels, where stowage space is limited. Weighing less than 40 pounds, the Marine Rescue Platform® is available in soft valise or attractive, compact fiberglass container with optional aluminum deck mounting cradle

# FEATURES, EQUIPMENT, AND SPECIFICATIONS

## STANDARD FEATURES

- Hand Laid Fiberglass Container or Fabric Valise
- Dual Chamber Reversible Configuration
- Heat Sealed Urethane Coated Nylon Buoyancy Chambers
- Water Activated Exterior Locator Lights (2 ea.)
- Sea Anchor (automatically deployed)
- Painter/Static Line (length, 25 ft.)
- Heaving Ring and Line
- Manual Topping Off Valve
- Pressure Relief Valve
- Raft Use Instructions
- CO2 Inflation System
- Lifelines (inner)
- Lifelines (outer)
- Floating Knife
- Utility Bag
- Whistle

## STANDARD EQUIPMENT

- 3 USCG/SOLAS Hand Held Flares
- Waterproof Flashlight
- Emergency Flag
- Manual Inflation Pump
- Repair Clamps (2 ea.)

## OPTIONAL FEATURES

- Anodized Aluminum Deck Mounting Cradle
- Abandon Ship Duffel Bag
- EPIRB 406 Mhz
- Katadyn® Survivor 06 Water Maker

## What is Rhino Tough™?

**RHINO TOUGH** defines the **strength and resistance to damage** of our Life Rafts' inflatable buoyancy chamber fabric. This heavy-duty, 16oz. per square yard Nylon fabric, urethane coated inside and out, with heat-sealed over-lapped seams, taped inside and out, is the toughest in the industry. The urethane coating is virtually immune to porosity due to "Cold-Cracking". This can be caused by the extremely low temperatures of the Life Raft's inflation gases that can damage many of the other coatings used today. Our buoyancy chamber fabric's resistance to damage from puncture and abrasion is second to none!

## SPECIFICATIONS

Rated Capacity	10 Person
Weight - Hard Container *	43 lbs.
Hard Container Dimensions **	24 in. l x 13 in. w x 12.5 in. h
Shipping Weight	48 lbs.
Shipping Dimensions	27 in. l x 17 in. w x 17 in. h
Weight- Valise *	38 lbs.
Valise Dimensions ***	24 in. l x 13 in. w x 8 in. h
Shipping Weight	43 lbs.
Shipping Dimensions	27 in. l x 17 in. w x 17 in. h
Buoyancy Tube Diameter	12 in.
Freeboard	12 in.
Raft Inflated Dimensions	114 in. (9' X 6") dia. x 12 in. high
Floor Area (total)	37.7 ft. <sup>2</sup>
Floor Area (per person)	3.77 ft. <sup>2</sup>
Buoyancy in Salt Water	1,306 lbs.
Operating Pressure	2 p.s.i.
Operating Temperature Range	+ 10°F - + 140°F
Life Raft Hard Container Material	Hand Laid Fiberglass
Life Raft Soft Valise Material	1,000 Denier Cordura™
Aluminum Cradle Material	AL-6463-T55
Buoyancy Tube Fabric	USCG Approved 16 oz./sq. yd. Urethane Coated Nylon Base Cloth (Exceeds MIL-C-17415-16AA)
Inflation System	Single Inflation Cylinder with Carbon Dioxide (CO <sub>2</sub> ) Nitrogen (N <sub>2</sub> ) Gas Mixture

\* Weight may vary depending upon options.

\*\* Optional Cradle will extend the overall installed height and width dimensions of the Hard Container by approximately two inches.

\*\*\* Weight and Dimensions may vary depending upon options. • Specifications Subject to Change Without Notice

**Because of its relatively small size, the MARINE RESCUE PLATFORM should not be considered appropriate for severe weather and sea conditions.**

**We also recommend that you carry an adequately equipped Abandon Ship Bag and an EPIRB.**

**Manufactured with Pride in America**
